

The map displays the Perico area in Ecuador, bounded by UTM coordinates (ZONA 18 SUR). The horizontal axis (Easting) ranges from 280,000 to 290,000, and the vertical axis (Northing) ranges from 9,990,000 to 10,008,000. The map shows the Rio Aguarico flowing from the northwest to the southeast, with tributaries including Rio Pusino, Rio Jandiyacu, Rio Aucayacu, and Rio Eno. Several communities and settlements are marked, including San José, Arará, San Bartolo, and Santa Teresita. Project locations are indicated by colored squares and labeled Perico 1 through Perico 8. Other features include the Rio Aguarico, Rio Pusino, Rio Jandiyacu, Rio Aucayacu, and Rio Eno. The map also shows various communities and settlements, including San José, Arará, San Bartolo, and Santa Teresita. The map is overlaid with a grid of UTM coordinates.

FUENTE: ENVIROTEC CIA. LTDA., 2024

A map of Ecuador showing its provinces: Esmeraldas, Carchi, Imbabura, Pichincha, Sto. Domingo, Cotacachi, Napo, Orellana, Pastaza, Morona Santiago, Azuay, Loja, Zamora Chinchipe, El Oro, Guayas, Santa Elena, and Cotacachi. The Sucumbios Canton is highlighted in green within Orellana province, with a purple dot marking the location of Sucumbios. Neighboring countries are Colombia to the north and Peru to the east. The Pacific Ocean (Océano Pacífico) is to the west. A scale of 1:15,000,000 is indicated at the bottom right.
